March 2009 – Carpinteria, CA – Simple. Elegant. Timeless. This new family of bollards features an austere design well suited for a multitude of applications. Effectively lights driveways, squares, pathways, and entrances from a low mounting height, featuring a symmetrical, fully shielded and glare-free light distribution.

Bollards with an extruded aluminum post, with a die-cast aluminum top housing and base. Clear tempered safety glass and anodized aluminum reflector.

U.L. listed, suitable for wet locations.

Protection class: IP 65

Finish: Standard BEGA colors.
