**May 2010** – Carpinteria, CA - BEGA-US is proud to announce their newest family of LED Linear Wall Wash Luminaires designed to complement the architectural lines of any project with stunning accent illumination! Offered in two sizes, these remarkable LED luminaires feature symmetrical or asymmetrical distributions. The impressive LED lumen packages are offered with a standard color temperature of 5500K.

The luminaire housings feature die cast aluminum and stainless steel construction. The beautifully flush safety glass with optical texture provides for installation in any mounting orientation.

Protection Class IP 65. Please note these luminaires are currently available in 120V only. For dimming option, consult factory.
