**October 2008** – Carpinteria, CA - Form and function has perhaps never been such an appropriate reference for a BEGA luminaire. BEGA is thrilled to introduce our latest offering, appropriately named: Urban Furniture.

Imagine a bollard that provides both impressive illumination and seating. Ideal for use in parks, schools and public spaces, the bollard is cool to the touch and produces impressive illumination.

This new bollard luminaire epitomizes robust design and glare free, widespread light distribution. Weighing in at 60 lbs, the two piece die cast luminaire utilizes (1) 39W CMH lamp and is available in one size. The mounting detail features a die cast base, secured with the supplied BEGA 890E anchorage kit.

Available in standard BEGA colors: Black (BLK); White (WHT); Bronze (BRZ); and Silver (SLV). Custom colors supplied on special order.

U.L. listed, suitable for wet locations. Protection class: IP 65.
